Summary:

Self-motivated and diligent Node.js developer with a passion for full-stack web development, possessing hands-on experience in HTML, CSS, JavaScript, Bootstrap, jQuery, Node.js, Express.js, and MongoDB. Proven track record in building robust and secure user management systems with web authentication, including JWT, password encryption with bcrypt, session and cookies, and email verification with Nodemailer. Possess strong work ethics with an ability to thrive in fast-paced, deadline-driven environments.

Education:

Bachelor of Computer Applications, Disha Institute of Science and Technology Dhampur, UP Bijnor
(Expected graduation in 2023)

Skills:

Node.js

Express.js

MongoDB

HTML

CSS

JavaScript

Bootstrap

jQuery

JWT

Bcrypt

Nodemailer

Experience:

Developed a fully functional user management system with web authentication, including JWT, password encryption with bcrypt, session and cookies, and email verification with Nodemailer. GitHub repository: <https://github.com/Gursevak56/usermanagementsystemwithauthentication.git>

Currently working on a book store management system with Node.js, Express.js, and MongoDB.

Conclusion:

As an accomplished Node.js developer, I am committed to delivering high-quality web applications and innovative solutions. With a drive for excellence and a willingness to learn new skills, I am well-equipped to take on challenging backend development projects. I welcome the opportunity to contribute my expertise and experience to your team. Please feel free to contact me at gursevaksingh21@gmail.com or 7037772781 to discuss how my skills and qualifications can align with your organization's objectives.
